

Integral LED Light Bulb Warranty Statement

USA Limited Warranty: EarthTronics, Inc. warrants screw base, integral LED light bulbs to be free from defects in material and workmanship for 10 years from the date of purchase based on 6 hours of average use per day / 7 days per week and when used in applications they are designed for under normal operating conditions.

EarthTronics, Inc. warranties covers only the product itself. If this lamp does not last for the time period guaranteed return lamp, proof of purchase, register receipt and your return name and address to EarthTronics, Inc., 380 W. Western Ave., Suite 301, Muskegon, MI 49440. EarthTronics will replace the lamp. This replacement is the sole remedy available and liability for incidental or consequential damages is hereby expressly excluded. This warranty gives you specific legal rights and you may also have other rights which vary state to state. Warranty is void if product is not used for the purpose for which this product is manufactured.

CAUTION: to avoid early failure due to incompatibility, please observe the following precautions:

- Risk of electrical shock. Do not use where directly exposed to water. Do not open - no serviceable parts inside.
- This device is not intended for use with emergency exits. Outdoor use requires a weather-protected fixture.
- Turn off power before changing bulb.
- Reliable operating temperature range: -4°F/-20°C to 95°F/35°C. Lamps operated in enclosed fixtures could have reduced lamp life.
- Added weight of the device may cause instability of a free standing portable luminaire.
- This lamp may not be compatible with all dimmers.
- Please visit www.earthtronics.com/led-dimmable-facts for listing dimmer compatibility information.

The device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This lamp contains
NO mercury and can be
disposed of normally.
