

LED BRT

Adjustable LED Downlight Trim Bulb 4" – 8.5 Watt LED 5000K

PRODUCT DESCRIPTION

EarthTronics Adjustable LED Trim Kit provides a simple and quick way to upgrade recessed downlight fixtures. It's as simple as screwing in a light bulb. The screw base neck is depth adjustable to reach the fixture socket to make the power connection and fit against the ceiling. In addition the trim ring is replaceable and can be exchanged with other optional color and finish trim rings. This LED trim kit provides 5000K pleasing daylight with exceptional 90CRI. Perfect for residential use in kitchens and family rooms. Commercial applications include hospitality, long term care facilities and any downlight fixture that would benefit from an upgrade. Easily replace up to 65 watt BR30 flood lamps with this dimmable 8.5 watt LED trim kit for 80% energy savings. Features a long 25,000 hour rated life.

PRODUCT FEATURES

- 650 lumens daylight 5000K with exceptional 90 CRI color rendering
- 90° beam angle provides a full flood light
- Smooth dimming to less than 5%
