PRODUCT DESCRIPTION

EarthTronics LED 4 ft. linkable shop light provides bright task lighting in an efficient, cost effective way. This LED 4 ft. linkable shop light features impact resistant UV stabile plastic housing with a white finish. Provides 2400 lumens of light using just 23-watts for efficient operation.   Starts reliably at -4°F and is perfect for cold applications.   This LED light offers simple installation with included hooks, hanging chain hardware that mounts to your existing construction and a 6 ft. three prong cord that plugs directly into your grounded power outlet. With its linkable function, up to 5 lights can be connected. Use either the flush connector for an adjacent light connection or the linking cable to better space out the lights.

PRODUCT FEATURES

- Ideal for workshops, garage and utility rooms
- Hanger kit included
- 4000K color temperature, 83 CRI
- Housing is made impact resistant PVC
- 50,000 hour rated life

43.5"
