

# LED Wall Pack

## LED Mini Wall Pack 18W 1980 Lumens 4000K

### PRODUCT DESCRIPTION

EarthTronics Mini LED Wall Packs provide exterior, wide-flood area illumination for commercial, industrial and municipal facilities. The durable die cast aluminum housing is powder coated to maintain the fixture appearance for several years. This 18 watt wall pack operates at 110 lumens per watt efficiency and provides 1980 lumens. This 18 watt LED Wall Pack comes with a dusk to dawn sensor already installed and is built to withstand all climates and allows for an extreme temperature range, even operating down to -40 degrees C°, and is IP65 approved for outdoor wet applications. 4000K color of light and the high 80+ CRI provide bright illumination. Accepts 100 – 277 volt AC power supply. The long 50,000 hour rated life is backed up with a 10 year limited warranty. The wall pack fixture requires a properly anchored UL recognized junction box for proper installation.

### PRODUCT FEATURES

- High Quality Die Cast Aluminum Housing
- Durable bronze powder coat finish
- Suited for wall mounting to provide a wide flood area
- IP65 rated for wet location use
- 120-277 volt constant current driver
- Photocell installed
- 50,000 hour rated life

### DIMENSIONS:

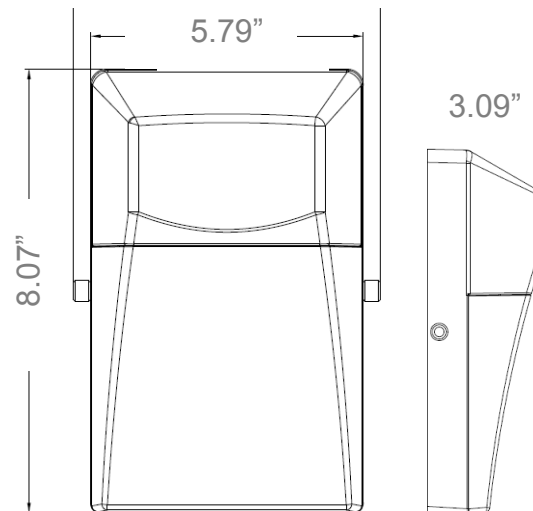

- Height: 8.07 inches
- Length: 5.79 inches
- Width: 3.09 inches

**WEIGHT:** 2.09 lbs

**UPC:** 840791113035

**ORDER CODE:** 11303

**MODEL #:** WPM1840BK1S

**CAUTION :** If the fixture is to be removed or replaced, please ensure that they electricity is switched off and that the fitting is cool before touching it
